

Powerful smart speaker with the Google Assistant and 360-degree sound.

KEY SELLING POINTS

Smart speaker with Google Assistant

Fill any space with music and let your personal assistant make your home living smarter, more elegant and hands-free.

Immersive 360-degree sound technology

No matter where you place it, Beosound 2 delivers a forceful 360-degree sound performance that fills the entire room with music.

Control everything with your voice

With the Google Assistant built in you can play music, find answers on Google Search, manage everyday tasks and easily control other smart devices in your home.

Fast favourites with OneTouch buttons

Start your favourite music or feature with just a single touch of the OneTouch buttons.

Built for multiroom music experiences

Connect Beosound 2 with other compatible speakers and stream your songs throughout your home.
